Our Mission:

- To create greater efficiency in the marketplace for advisors interested in succession planning, growth solutions and NextGen opportunities.
- To be a good member of the advisory community by supporting individuals and firms in their professional goals.

Our Value Proposition:

- Search for free, pay to connect: Anonymously and securely.
- Gain insights with curated, organized aggregated industry information.
- Discover actionable practice management solutions developed by leading industry experts.

Our Differentiators:

- We put the power in the hands of the advisor.
- We created the playing field; we are not calling the plays and do not benefit from them.
